<input checked="" type="checkbox"/>	2	SKYWARD.SKYWARD.L+S.Lo...	Lower Case

Open **Language WordStudy**

Click on **Settings**

Click on **Academic Standard Display**

Select F from the **Grade Bucket** drop down menu

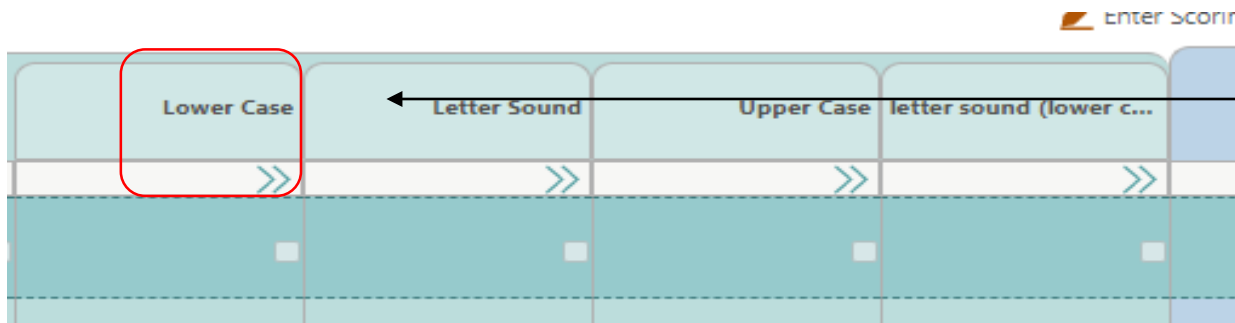

Click on **Display** to highlight all letters/sounds

Click directly above Academic Standard Display **Save Changes** (not visible in this screen shot)

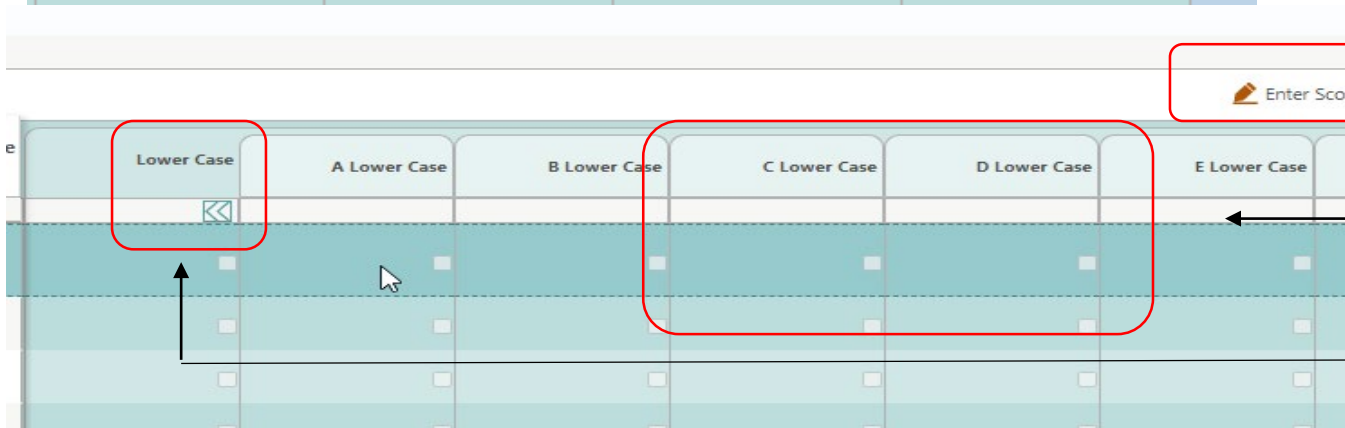

Kindergarten Letters & Sounds

Click on >> **F** to expand

Click on >> **Lower Case**

Enter Scor

Click on **Enter Scoring Mode**

Click in **box** to check

Click on << **Lower Case** to collapse

Kindergarten Letters & Sounds

This screenshot shows the top portion of the 'Kindergarten Letters & Sounds' interface. It features a grid with four columns: 'Lower Case', 'Letter Sound', 'Upper Case', and 'letter sound (lower c...'. The 'Letter Sound' column is highlighted with a red box and contains a double right arrow icon. Above the grid, a red box highlights the 'Enter' button. Two arrows point from text instructions to the interface: one points to the 'Letter Sound' column header with the text 'Click on >> **Letter Sound** to expand', and the other points to the 'Enter' button with the text 'Click on **Enter Scoring Mode**'.

Click on >> **Letter Sound** to expand

Click on **Enter Scoring Mode**

This screenshot shows the bottom portion of the 'Kindergarten Letters & Sounds' interface. It features a grid with five columns: 'Letter Sound', 'A Sound', 'B Sound', 'C Sound', and 'D Sound'. The 'Letter Sound' column is highlighted with a red box and contains a double left arrow icon. A red box also highlights the 'B Sound' and 'C Sound' columns. Two arrows point from text instructions to the interface: one points to the 'Letter Sound' column header with the text 'Click on << **Letter Sound** to collapse', and the other points to a small square box in the 'B Sound' column with the text 'Click in **box** to check'.

Click on << **Letter Sound** to collapse

Click in **box** to check

Kindergarten Letters & Sounds

The screenshot shows a table with four columns: 'Lower Case', 'Letter Sound', 'Upper Case', and 'letter sound (lower c...'. The 'Upper Case' column is highlighted with a red box. Above the table, there is a button labeled 'Enter Scoring Mode' with a small icon. Arrows point from the text instructions to the 'Upper Case' column and the 'Enter Scoring Mode' button.

Enter Scoring Mode

Click on >> **Upper Case** to expand

Click on **Enter Scoring Mode**

The screenshot shows a table with six columns: 'Upper Case', 'A Upper Case', 'B Upper Case', 'C Upper Case', 'D Upper Case', and 'E Upper Case'. The 'Upper Case' column is highlighted with a red box. Arrows point from the text instructions to the 'Upper Case' column and the 'B Upper Case' column.

Click in **box** to check

Click << **Upper Case** to collapse

Kindergarten Letters & Sounds

The screenshot shows the top part of the application. At the top right, there is a button with a pencil icon and the text "Enter Scoring Mode". Below this is a navigation bar with four tabs: "Lower Case", "Letter Sound", "Upper Case", and "letter sound (lower c...". The "Letter Sound" tab is active. Below the navigation bar is a grid with four columns corresponding to the tabs. Each column has a header row and a data row. The data rows are currently collapsed, indicated by double right-pointing arrows (>>) in the header cells.

Lower Case	Letter Sound	Upper Case	letter sound (lower c...
>>	>>	>>	>>

Click on >>**letter sound (lower case)** to expand

Click on **Enter Scoring Mode**

The screenshot shows the expanded letter sound grid. The "letter sound (lower c..." tab is selected. The grid has six columns: "letter sound (lower c...", "lower case a sound", "lower case b sound", "lower case c sound", "lower case d sound", and "lower case e sound". The "letter sound (lower c..." column is expanded, showing a double left-pointing arrow (<<) in its header cell. The other columns are collapsed. The data rows are currently collapsed, indicated by double right-pointing arrows (>>) in the header cells.

letter sound (lower c...	lower case a sound	lower case b sound	lower case c sound	lower case d sound	lower case e sound
